8. Mad Science of Houston

Contact Person: Denise Pangilinan-Tan 713-663-7623

www.houston.madscience.org

Class Time(s): Wednesdays 3:30pm – 4:30pm

- Mad Science is on a mission to spark the imagination of children everywhere with exciting, live, interactive programs that instill a clear understanding of science and how it affects the world around us. We believe in the importance of being at the forefront of our industry and continue to create hands-on science programming for kids. Our approach to teaching science invites children to pursue STEM careers.
- Mad Science encourages scientific literacy in children in an age when science is as vital as reading, writing, and arithmetic. Our programs are designed for children ages 5-12 and are led by highly qualified instructors, creating unique engaging experiences! Children will participate in exciting hands-on activities, spectacular demonstrations, inquiry-based discussions and make amazing take-homes, like model rockets, periscopes and much, much more!

9. Robotics Club

Contact Person: Deanna Johnson 281-599-7626

deanna.johnson@roboticsacademy.com

www.roboticsacademy.com

Class Times(s): Tuesdays 3:30pm – 4:30pm

- To excite, inspire and motivate young people about the importance and impact of robotics technology in today's world. To stimulate their imagination and creativity by encouraging them to explore, experience and express themselves through our hands-on interactive robotics program.
- Our classes teach students to understand "how things work" through hands-on activities that demonstrate the principles of simple and motorized machines. They gain experience with design and problem solving through the use of gears, motors, wheels and remote-control devices.

10. Soccer Shots – The Children's Soccer Experience - Ages Pre-K3-Kinder

Contact Person: James Collard 281-904-6067

www.soccershots.org/houston

- Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching curriculum and communication. Our coaches are the best trained in the business. Our expert-approved curriculum is age appropriate and customer experience and ongoing communication with parents.
- Soccer Shots utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting.
- We also highlight a positive character trait each session, such as respect, teamwork and appreciation.

11. Tumbling and Gymnastics

Contact Person: Coach Robbie 713-866-4822

coachrobbie@wans.net

www.tumbleco.com
