7. **Mad Science of Houston**

Bridge Kinder - 6th Grade

Register online at: www.houston.madscience.org

Contact Person: Denise Pangilinan-Tan: 713-663-7623

Class Time(s): Wednesdays 3:30-4:30PM

Mad Science is on a mission to spark the imagination of children everywhere with exciting, live, interactive programs that instill a clear understanding of science and how it affects the world around us. We believe in the importance of being at the forefront of our industry and continue to create hands-on science programming for kids. Our approach to teaching science invites children to pursue STEM careers.

Mad Science encourages scientific literacy in children in an age when science is as vital as reading, writing, and arithmetic. Our programs are designed for children ages 5-12 and are led by highly qualified instructors, creating unique engaging experiences! Children will participate in exciting hands-on activities, spectacular demonstrations, inquiry-based discussions and make amazing take-homes, like model rockets, periscopes and much, much more!

8. **Robotics Club**

1st-5th Grade

Register online at: www.roboticsacademy.com

Contact Person: Daphney Kirby at daphney.kirby@roboticsacademy.com

Class Times(s): Thursdays 3:30-4:30PM

The goal of Robotics Club is to excite, inspire and motivate young people about the importance and impact of robotics technology in today's world. To stimulate their imagination and creativity by encouraging them to explore, experience and express themselves through our hands-on interactive robotics program. Our classes teach students to understand "how things work" through hands-on activities where they gain experience with design and problem solving.

9. **Soccer Shots – The Children’s Soccer Experience**
